## Instructions

**General Instructions:** The purpose of this form is to enable reporting of federal low income housing tax credit data. The definitions for all fields are to be understood in that context. All fields below must appear on the state TIC. A state may not collect data in a field that differs from the applicable definition below. States are free to include other fields on their TICs that are designed to collect other data. Displaying OMB information on the form, including the OMB form number, is appropriate only if the HUD OMB-approved TIC remains unchanged. However, if any changes are made to the form (changing words, adding signature blocks, etc) the OMB number, approval date, etc must not be included on the state form. OMB rules do not allow for any modifications of an OMB form if the OMB number is used.
